Year 8 Boys Football

The Year 8 team had a good win on Wednesday against West Wight. This was the Cup Semi-final and they won 5-0. This takes them into the Cup Final.

Year 7 Boys Football

As you know, the boys got into the quarter-final of the County Cup and faced a superb side from Eastleigh. Our boys underperformed on the day, losing 6-0. **Overall**, the school has got through to five finals: Year 6 – League & Cup Final and South West Region Final. Year 7 – League Final. Year 8 – Cup Final. The league finals are being played today (Friday 5th). The Cup finals are being played at St Georges, Newport during the last two weeks of the Spring Term.

Year 8 Girls 6-a-side Football – Tues 2nd March

The Year 8 girls competed in the Annual Middle Schools 6-a-side competition on Tuesday. Their opening game was against CTK. After Shannon Brown scored in the 1st minute Sandham thought they were onto a winner. They held the lead until the last minute of the 2nd half, when CTK equalized. Unfortunately there wasn't enough time to pull another goal back. The game ended 1-1. Next up, the team faced Nodehill. By the end of the 1st half Sandham were 2-0 up, with goals from Shannon Roberts and Lillie Bohn. The team continued to play well, with Shannon Brown scoring another 2 goals. Sandham were victorious, winning 4-0.

The third game was against Bishop Lovett. Sandham lost to Bishop Lovett 5-0 back in September, so they knew it was

was going to be tough. Bishop Lovett scored in the 2nd minute. Despite a great effort by all, especially defence, Sandham kept out any further goals from Bishop Lovett but were unable to creep through their defence. The game ended 1-0 in Bishop Lovett's favour. Bishop Lovett were going through as winners of the group. It was down to Solent and Sandham as to who was going through to the semi-finals as runners-up. Solent had won, drawn and lost a game, just like Sandham. Sandham had a very good goal difference, so all they needed was to hold on to a 0-0 draw to go through. They held until 1 minute from full time, when things started to go pear shape in defence. Solent capitalised on our mistake, took the shot and it went in. Sandham lost 0-1 and missed out on a place in the semi-finals. A great effort by all.

Will these Boys dare show their faces?

Let's hope so! They are going to Bristol on Saturday to compete in the U11 South West Regional Finals. They will be playing against teams from Oxfordshire, Dorset, Gloucestershire and Berkshire. Good luck lads!

Golf stars in the making?

Will Amy Durrant, Abbie Howard and Stephanie Smith be following in the footsteps of Connor Richards Jordon Sundborg? They are currently being coached by Peter Hammond – Golf Professional at Sandown & Lake Golf Club. We wish them good luck!

Year 6 Boys Football Vs Downside

We played Downside on Wednesday. The pitch was really sludgy. We played as hard as we could and Jack Hill scored the opening goal, it was brilliant – a far post header. A player that was subbing for one of our best players scored a great goal too. He tapped it in from a cross from me (Joe Domenet). The goal scorers were Jack Hill (2), Ryan Bell and Dima. We won the game 4-1. The team was:

Jack Hill, Dima Dovzhanchuk, Joe Domenet, Matt Bennett, Harry Ridley, Harry Miselbach, Marc Gough, Bobby Clarkson, Keiran O'Reilly, Ryan Bell, Cody Christie, Jordan Bishton and Braedon Carey.
