

SANDHAM SPORTS NEWS

YR 7 AND 8 BOYS AND GIRLS' SPORTSHALL ATHLETICS

On Tuesday, Year 7 and 8 Boys and Girls went to Medina High School to take part in the annual Sportshall Athletics event. This was the last event as a Middle School competition, which has been running for 26 years! A sad occasion for one member of staff who had been present for all of them!

On the day, the nineteen athletes performed admirably. The events they took part in ranged from two lap to eight lap runs, and in the field, shot, vertical jump, long jump, triple jump, speed bounce and javelin. At the end of the competition, the results were Sandham Boys 2nd and Sandham Girls 3rd.

Well done to all!

U11 BOYS FOOTBALL

Yesterday at Lake Middle, the U11 Boys' Football team played local rivals Lake in the semi-final of the league. In a closely fought contest, the game went from end to end with Lake taking a well-deserved lead just before half-term. Sandham then equalised with a fantastic kick from Tom Lloyd (Messi, eat your heart out!). With five minutes to go, Sandham had a corner which Lake were lucky to keep out. They cleared to the far end of the pitch where a quick break resulted in the winning goal to Lake. Hard to take, but the game was a credit to both teams. Hopefully Sandham can progress further in the Isle of Wight Cup in two weeks' time.

SPORTS FIXTURES NEXT WEEK

Tuesday

Year Boys Football v. Mayfield

Year 8 Boys Football v Swanmore.
